WORKSHOP JANUARY 11TH - FEBRUARY 18TH
EVENT FEBRUARY 19TH & 20TH

AMARRADAS

Carmen Córdoba González

Mother and daughter are forever tied together by an eternal bond that heals and aches. The bond becomes stronger once the daughter becomes the mother.

COCKROACHETY

Jorge Sarria

Gregor comes out of the bunker where he takes refuge of a nuclear blast to find a planet governed by human-sized cockroaches.

GOING DOWN

Joaquín Martínez

During an underground journey, a woman witnesses how the breaking of social barriers shows the darkest and most private instincts of the people around her.

IBIS

María Burgués y Eric Sant

Two teenage girls embark on a mysterious and revealing trip that will help them both to understand themselves and the world around them.

LA ABUELA PIRATA

Aitor Herrero

The story of a pirate granny who lives the biggest adventure with her grandsons: freeing grandpa, who has been imprisoned in an enchanted island for the last 40 years.

PROTOCOLO FLAMBÉ

Rubén Fernández

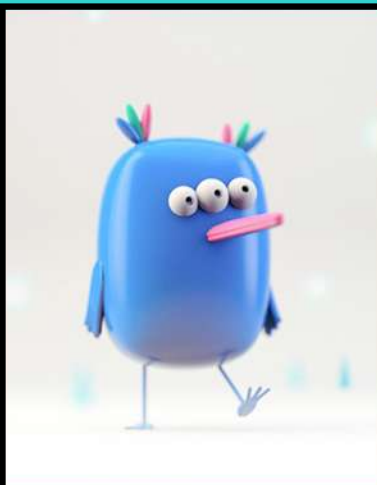

1944. A small and charming restaurant placed near The Pyrenees is getting ready for a new day. The young cook, Isabela, and her waitresses, are making arrangements unaware of the day ahead.

TITAN TOFU

María Luquero García

Titan and Tofu are two lovely and kind of brave friends that, after a magical encounter, won't be able to live without one another.

VILLA FÁBULA

Víctor Marín

The lives of a group of young students is rocked when an otherworldly being gives them a magical power: the ability of seeing the creatures from the fairy tales their parents told them to make them do their homework.
